

LITTLE CLOUDS OVER KIEV

OPEN CALL

We invite visual artists from all over the world, creating an image, video to create an NFT and help Ukraine.

Resulting Nfts will be put up for sale and profits donated 100% to amnesty international.

The rights of the works will be part of the catalog and will result in an exhibition in the noox spaces in August 2022.

All artists will be published in a digital catalog and will receive recognition for their participation in the project.
